

***Sixth item on the agenda of the ordinary shareholders' meeting***

***Authorization for the purchase and disposal of own shares, in accordance with the combined provisions of Articles 2357 and 2357-ter of the Italian Civil Code and Art. 132 of Italian Legislative Decree no. 58/1998 as amended and its implementing provisions, subject to revocation of the previous authorization for the part not executed. Related and consequent resolutions.***

Shareholders,

You have been called to the Ordinary Shareholders' Meeting to examine and approve the proposal to authorize the purchase and disposal of ordinary shares of Orsero S.p.A. ("**Orsero**" or also the "**Company**"), in accordance with the combined provisions of Articles 2357 and 2357-ter of the Italian Civil Code and Art. 132 of Italian Legislative Decree no. 58/1998 as amended (the "**Consolidated Law on Finance**") and the relative implementing provisions.

Please note that by resolution passed on April 28, 2022, this Shareholders' Meeting authorized the purchase and disposal of ordinary shares in the Company. Pursuant to the law, the purchase authorization is valid for 18 months from the date of the aforementioned resolution and therefore expires in 2023; the disposal authorization is instead granted without time limits.

It therefore seems appropriate that, in line with the 2022 Shareholders' Meeting resolution, the Company should once again be granted the power to purchase own shares for the purposes set forth in paragraph 1 below.

It is therefore proposed to the Shareholders to approve a new authorization to purchase and dispose of own shares under the terms described in this Report, subject to revocation of the resolution passed on April 28, 2022 for the part not carried out.

**1. Reasons for which authorization to purchase and dispose of own shares is requested**

The request for authorization to purchase and dispose of own shares, subject to the proposed authorization to be submitted to the Ordinary Shareholders' Meeting, is aimed at providing the Company with a useful strategic investment opportunity for any purpose permitted by current provisions, including the purposes contemplated in Art. 5 of Regulation (EU) 596/2014 (Market Abuse Regulation, the "**MAR**") and in the practices permitted under Article 13 MAR, where applicable, including the purpose of purchasing own shares with a view to their subsequent cancellation and the purpose of meeting obligations deriving from share-based incentive plans for employees or members of the management bodies of the Company and/or its subsidiaries, under the terms and in the manners that may be decided by the competent corporate bodies.

**2. Maximum number, class and nominal value of shares to which the authorization refers**

Authorization is requested for the purchase, even in several tranches, of Orsero ordinary shares, without nominal value, up to a maximum number that, taking into account the Orsero ordinary shares held from time to time in the portfolio by the Company and its subsidiaries, is not greater, in

nominal value, than the maximum limit established by regulations applicable pro tempore (at the date of this report, this limit is set at one-fifth of the share capital pursuant to Article 2357, paragraph 3, of the Italian Civil Code) and in any case for a maximum equivalent value of Euro 4,000,000.00.

It is therefore proposed that the Board of Directors be given a mandate to identify the amount of shares to be purchased in relation to each purchase program, within the scope of the purposes indicated in the previous paragraph, before such program commences, in compliance with the maximum limit referred to above.

At the date of this Report, Orsero's share capital amounts to Euro 69,163,340.00 and is divided into 17,682,500 ordinary shares, with no nominal value. At the same date, the Company held 477,514 own shares, equal to 2.70% of the share capital; Orsero's subsidiaries did not hold any shares in the Company.

### **3. Useful information for the purposes of a full assessment of compliance with the provisions of Article 2357, paragraph 3, of the Italian Civil Code.**

As indicated above in paragraph 2, at any time the maximum number of own shares held by Orsero, also taking into account any ordinary shares of Orsero held by subsidiaries, shall never exceed the maximum limit established by regulations applicable pro tempore. In order to ensure compliance with legal limits, appropriate procedures will in any case be put in place to ensure timely and complete disclosure of shareholdings in Orsero's subsidiaries.

The purchase of own shares must in any case take place within the limits of the distributable profits and the available reserves set forth in the latest financial statements (including interim) approved at the time the operation is carried out and, when the own shares are purchased and disposed of, the necessary accounting entries will be made in compliance with legal provisions and the applicable accounting principles.

### **4. Duration for which authorization is requested**

Authorization to purchase own shares is requested for a period of eighteen months from the date of the Ordinary Shareholders' Meeting resolution. The Board of Directors may proceed with the authorized transactions on one or more occasions and at any time, to an extent and at times freely determined in compliance with applicable regulations, with the frequency deemed appropriate in the interest of the Company.

The authorization to dispose of own shares is requested with no time limitation.

### **5. Minimum and maximum consideration for own shares to be purchased**

The Board of Directors proposes that purchases of own shares be made in accordance with the conditions relating to trading set out in Article 3 of Delegated Regulation (EU) 2016/1052 (the "**Regulation 1052**") in implementation of the MAR, where applicable. The purchases may be carried out at a price that is no greater than the highest price considering the last independent transaction and the highest current independent purchase price offered in trading venues where the

purchases are carried out. However, in any case, the unit price cannot be more than 20% lower and 10% higher than the arithmetic average of the official prices of the Orsero share in the Euronext Milan market, STAR segment, organized and managed by Borsa Italiana S.p.A. in the 10 trading days prior to each individual purchase transaction. **[Note: data to be confirmed by the Company]**

## **6. Methods for carrying out purchases and disposals**

The Board of Directors proposes that purchases be made in accordance with the procedures set out in the applicable provisions of Consob Regulation no. 11971/99 as amended Issuers in implementation of Article 132 of the Consolidated Law on Finance, in compliance with the conditions and restrictions on trading as per Articles 3 and 4 of Regulation 1052 and with the frequency deemed appropriate in the interests of the Company.

The Board of Directors also proposes authorizing the use in accordance with Article 2357-ter of the Italian Civil Code, at any time, in whole or in part, in one or more tranches, of the own shares purchased on the basis of this proposal, or in any case already held in the Company's portfolio, by disposing of them on the stock exchange or over the counter, possibly also by means of the transfer of real and/or personal rights, including but not limited to securities lending, with the terms, methods and conditions of the deed of disposal of the own shares deemed most appropriate in the interest of the Company, in compliance with legal provisions and regulations in force at the time and for the pursuit of the purposes of this proposed resolution.

Disposals of own shares in portfolio will be carried out in compliance with the laws and regulations in force concerning the execution of trading on listed securities, including the practices allowed under Art. 13 of the MAR (where applicable), and may be carried out in one or more stages, and with the frequency deemed appropriate in the interest of the Company.
